NOTES

All spot costs assume a 30" advert.

These airtime costs are estimates based on typical traded discounts off projected 2010 annual average CPT's.

Ratings for programmes listed have been calculated based on average TVR's for traded audience.

Estimates for adult views (impacts) and ratings are for reference/comparison only.

Rates can fluctuate +/- 15% or more from these depending on month and channel.

Where applicable, there is a second transmission on the +1 channel, these are not included in the estimates
